

FARE

Finance - I have no update, I has requested this from Hilary re finances
Royal Raffles for April \$700 ish – to collect, goes towards FARE profit
Based on some of the expenses I am assuming it will be quite down from the record
breaking 2018 event

Feedback

There has been no meeting as yet in regards to committee feedback, I personally think it all
went very well.

Mother's Day Stall

Went very well and I really appreciated collaborating with the music committee and having
the event on the same day, it created an overall school event. I would like to look at this
more for future projects. Belinda and I have already discussed having the Dad's Day stall
and music morning on the same day.

Rec attached – good profit. Stock levels low again post event. Had 2 dads help this year
which was lovely to see and Mr Galea helped before school too (I have never had a teacher
help on the stall before and it was really lovely of him).

Variance from 2018

Basically the same income but there was more expenses for stock in 2019 therefore not as
profitable as 2018

Mother's Day Stall 2018

Income: \$2557.00

Expenses: \$478.30

Profit: \$2078.70

Easter Egg

164 guesses @ \$2.00 = \$328

Election Day - this Saturday

BBQ

Based on figures and advice from Jen and Anne, have purchased

800 rolls

600 sausages

15kg bacon

15 dozen eggs

30kg bacon

I have met Kim to go over the ropes for the canteen and have a very thorough email from
Belinda in regards to school support. Will be delivering all the stocks sans bread on Friday
afternoon.

There are ample drinks left over from my brothers donation for the FARE so that we don't
have to purchase any other

Roster now full and I may get a sit down

If anyone doing the early shift on the Saturday could assist with collecting some of the bread rolls that would be awesome.

Other activities

Yr 6 are doing hot drinks until approx. noon

Cat Rodie is doing gold coin donation face painting

Ali is sorting busking for the music committee and is running a 2nd hand book stall for music.

Over all a lovely event planned

No other fundraising planned for term 2 and will look at events for terms 3 and 4 for next meeting. I have emailed the tree guys to put in our EOI for Xmas trees as that was an easy one.
